DE VALK
YACHT BROKERS

BROKER'S COMMENTS

Built in steel by Dutch yard Moonen the Netherlands, Kamarra I was delivered in 1988 as a medium range pocket superyacht with several refits since (2017, 2023). The timeless design makes Kamarra I a real eye-catcher. Inside there is a very generous living space making her suitable even for permanent residence for 6 guests. Outside, she is equipped with a spacious aft deck and an even more spacious flybridge. All cabins have en suite bathroom facilities. Please contact the yacht broker for more detailed information.
