BROKER'S COMMENTS

The Westbas 29 Offshore is a solidly built Norwegian motor cruiser, designed for comfortable and safe cruising even in challenging conditions. With its spacious enclosed wheelhouse, wide side decks, and practical layout, this vessel is well suited for both day trips and extended stays on board. It features reliable engine performance, excellent seakeeping abilities, and generous storage throughout. A great choice for those who appreciate Scandinavian craftsmanship and are looking for a robust, low-maintenance cruiser.
