

VAN DE STADT HELENA 38

BROKER'S COMMENTS

Macoma is modern design with traditional character. Design 493 Helena combines high performance, easy handling and a spacious interior. Macoma is very low priced because she needs an overhaul and some interior needs to be finished. Installing the Head, paint interior and mount roof innerliners and some kitchen drawers she also needs new upholstery. She's been on a shakedown cruise down to Cape Verde and back to Stockholm (2017-18) but after that she's been unused on the hard. Macoma is for the sailors that look for a well-sailed and safe ocean going boat and want to put in some hours.
