NAUTICAT 441

BROKER'S COMMENTS

Nauticat 441 is a pilothouse ketch. She can be fully steered and navigated both from outside helm and from inside helm station. Of course, the sails are always trimmed from cockpit. There are big windows in the saloon, creating open and well-lit space, together with huge U-couch, helm stations and easy-to-use side doors this creates a good living area. There are spacious 2-person front and aft cabins. The U-shaped kitchen is the heart of every home, and we planned to stay onboard for extended periods. The small dinette is usable as a dining room, as an excellent study or mid-ship storm bunk.
