INTERCRUISER 29

BROKER'S COMMENTS

This 2014 Intercruiser 29 "Lobster" combines style with functionality. The vessel is equipped with a reliable Volvo Penta D3 (110 HP) diesel engine and a bow thruster for excellent maneuverability. The interior features a comfortable cabin with a V-berth and a bathroom. Outside, you can enjoy a spacious open cockpit with direct access to the swimming platform. Thanks to its low profile, the boat is highly accessible: with the canopy fully lowered, the maximum clearance height is just 1.60 meters. You are more than welcome to visit us for a viewing at our sales marina in Katwoude.

Reinier van der Wolf
