LUXE MOTOR 22 M

BROKER'S COMMENTS

Originally built as a passenger vessel, the Gino has become a beautiful motor yacht for up to eight people. Four cabins, each with a bathroom and shower, a spacious mess, and a magnificent deck saloon offer plenty of space. The impressively professional technology. A clearance of just 3.45 meters and certification for offshore waters mean no limits to your next cruise. The ideal liveaboard yacht.

Ralph Weil

SPECIFICATIONS
