JEANNEAU SUN ODYSSEY 43

BROKER'S COMMENTS

The Jeanneau Sun Odyssey 43 is a popular sailboat known for its comfortable interior, good sailing performance, and solid build quality. It's praised for its bright saloon and spacious cockpit. Designed with families and charter guests in mind. Its ingenious modular interior can be converted by the owner from two cabins to four; removable bulkheads in the forward and aft cabins fit into slots in the overhead. An L-shaped galley and U-shaped dinette, each to starboard, provide ample room for crew. Available in South Spain
