GALEON 300 FLY

BROKER'S COMMENTS

The Galeon 300 Fly was designed with improved handling and stability, both with water-repellent features. She is fully equipped and very well maintained. The cockpit offers a long service platform, and the lounge has a spacious layout and a pleasant combination with the helm position. The interior design is in white and Alcantara wall decoration. In the cabins with toilets, the guests enjoy two double beds and a bath with toilet and shower. This beautiful Galeon 300 Fly is ready to go immediately.
