AXOPAR 37 CABIN

BROKER'S COMMENTS

The Axopar 37 Cabin is rugged, stylish, modern with maximum versatility and plenty of room. It offers ample accommodation for 4 persons. A light and airy enclosed front cabin for 2 and the aft cabin also doubles as a second bedroom. It has a spacious walk around deck with a social sunbathing area on the fore and aft deck. Axopar is well known for it's hull design and handling offshore chop and big swell. At the end of a long and fulfilling day, the prospect of knowing you've a comfortable night's rest ahead of you makes the whole experience of owning an Axopar 37 Cabin extremely worthwhile.
