BENETTI 79 SD NAVETTA

BROKER'S COMMENTS

The Benetti 79 SD Navetta is a distinguished displacement yacht by Riccardo Paoli, built to exacting standards by Benetti Sail Division. Her steel hull and aluminium superstructure exude strength and pedigree, while twin MAN engines (758 HP) deliver a commanding 3,000 NM range. A long keel and bulbous bow ensure sublime stability at sea. Immaculately refitted in 2017 and further elevated in 2025 with state-of-the-art navigation systems and a brand-new galley, she is the epitome of refined ocean voyaging, timeless elegance, enduring capability, and modern luxury combined.
