FRERS 46 CALYPSO IOR 2 TON RACER

BROKER'S COMMENTS

German Frers, one of the most renowned yacht designers, developed this elegant and fast racing yacht. Known under the names ‘Yeoman XXVI’ and ‘Geomar’, it became a successful racing yacht. The Frers 46 is very well maintained, repainted in 2023 at the famous Knierim shipyard in Kiel. The interior was repainted in the same year. The deck was repainted in 2025. The hydraulics were completely overhauled in 2025. The running rigging was renewed in 2023. The yacht is ready to sail without any further renovation backlog. The sight of this elegant yacht makes a sailor's heart beat faster.
