JEANNEAU PRESTIGE 36

BROKER'S COMMENTS

This Prestige 36 is a fine example of this popular flybridge cruiser, benefiting from extensive upgrades and meticulous care. Powered by twin Volvo diesels, she offers an ideal combination of performance, reliability, and comfort. Since 2018, a host of enhancements have been carried out, including a new bow thruster, new navigation instruments, solar panels, black water tank, new fridge, electric toilet, etc.. The Prestige 36's bright and spacious saloon, well-appointed galley, two generous cabins, and commanding fly make her an ideal choice for family adventures or entertaining guests.

Miha Spendal
