BROKER'S COMMENTS

Marex 370 ACC 'the Sun' built in 2012, equipped with a Volvo Penta D6 with 435 hp, a solid Norwegian-built polyester motor yacht. The 370 ACC has a fantastic layout and is well equipped: bow and stern thrusters with remote control, heating, optional luxury upholstery, large sun deck aft, electrically operated anchor winch with remote control. A truly beautiful and complete Marex 370 ACC. In terms of looks, technology and technical condition, it's ready to set sail and head for the Sun.
