DE VALK  
YACHT BROKERS

## BROKER'S COMMENTS

This elegant Van de Voorde 13.75 from 1961 combines classic craftsmanship with modern technology. The steel motor yacht (13.75 x 3.80 m) is powered by a robust Caterpillar 3126 diesel engine (275 hp), featuring hydraulic steering and an Onan 7.5 kVa generator. The warm teak interior offers a comfortable salon, spacious owner's cabin with en-suite bathroom, and a fully equipped galley. With her solid construction, bow thruster, and hydraulic anchor winch, this yacht is ideal for extended cruising in style and comfort.

*Ian Pols*
