BROKER'S COMMENTS

The Almtrawler 1200 (1992) is a robust Dutch-built steel motor yacht by Jachtbouw De Alm. With 13.65m length and 4.20m beam, she offers generous space, two cabins and seven berths. The warm oak interior with Iroko flooring adds coziness, while the flybridge is perfect for cruising. In 2022, the hull was fully sandblasted and resprayed, giving her a fresh look. An ideal cruiser for long voyages or relaxed weekends. Available for viewing at our sales marina in Loosdrecht.
