## BROKER'S COMMENTS

Slooping isn't a trend; it embodies a special attitude to life. Peaceful, good living, enjoyment, and slowing down. The Interboat 25 "Goede Vaart" is exactly that – a fine, uncomplicated boat for enjoying a day on the water with the family. Quiet and elegant – yet typical of a sloop, comfortable and sociable. Attached wooden rudder, teak throughout, refrigerator, enclosed toilet, fuel-efficient diesel engine, sink, swim ladder, bow thruster, and a new sprayhood with a raised stern and bimini. This equipment also makes the "Goede Vaart" suitable for multi-day trips.
