BENETEAU 50

BROKER'S COMMENTS

More than a classic Beneteau 505, this yacht stands apart from many newer vessels with heavy-duty rigging, reinforced shrouds, and serious blue water upgrades. The mast is strengthened with stainless steel strut stabilizers connected directly to the keel for exceptional offshore durability. Professionally rewired by American technicians. She is exceptionally outfitted for comfortable long-range cruising. Lovingly maintained by an experienced liveaboard owner and crew for over 20 years, she reflects continuous care, thoughtful upgrades, meticulous attention rarely found on yachts of this era
