HALLBERG RASSY 38

BROKER'S COMMENTS

A renowned bluewater cruiser built in 1979, well-equipped for offshore sailing. Solid fiberglass hull, this yacht has been extensively upgraded and meticulously maintained, including a 2013 Volvo Penta engine, full suite of Raymarine electronics (many updated in 2023), and high-end carbon sails (mainsail and genoa from 2013, both in excellent condition). It features energy autonomy with multiple solar panels and a wind generator. Ready for ocean passages. The standing rigging was replaced in 2013 and recalibrated in 2019. Teak deck replacement should be considered. More info. rkelly@devalk.nl
