COMBI KOTTER 1300

BROKER'S COMMENTS

The Combi Kotter 1300, built in 2001 by Jachtwerf De Combinatie, is a solid and comfortable steel motor yacht. The vessel offers a cosy saloon with dinette and a comfortable owner's cabin with a double bed, finished in warm teak. Thanks to the Webasto diesel heating, the yacht is suitable for year-round cruising. With both an inside and outside helm position, a bow thruster and a spacious teak aft deck, the yacht is easy and pleasant to handle. A well-maintained and ready-to-cruise kotter for carefree enjoyment on the water.
