BROKER'S COMMENTS

Beautifully built Combi Kotter 1300. The bottom and hull have been repainted in summer 2024. This Combi Kotter 1300 is the perfect yacht for longer stays or even living on board, because of her practical layout, teak interior with Hurricane II central heating, double glazing and ammenities. The draft of only 1.25 m allows sailing on almost every river and canal. The minimum airdraft of 3.50m makes her France proof. She is easy to sail thanks to the reliable 100 hp powerful volkswagen diesel. Come and visit her in our covered sales marina!

Mark Hesselmans
