NAJAD 390

BROKER'S COMMENTS

Najad 390 in very good condition, designed by the legendary Thorwald Karlsson, because good taste never goes out of style. This yacht has been stored indoors since 2015 and, rather impressively, has not been used since, making it one of the most well rested Najads you'll ever see. New sails were ordered in 2015 and never fitted, while new rigging and heating installed in 2026 ensure she is fully updated and ready for immediate cruising. Essentially, this is a classic Najad that has spent the last decade patiently waiting for the right owner, warm, rigged, and eager to finally feel the water.
