BAVARIA 28 SPORT

BROKER'S COMMENTS

Beautifully maintained Bavaria 28 Sport, truly a "sight to behold". She is not only in perfect technical condition, but she is also cosmetically stunning, really wherever you look. Two powerful Volvo Penta engines, each with 225 hp, give the boat plenty of power. For even easier manoeuvring, there are a bow thruster and stern thruster. The interior is particularly spacious and has a stylish modern colour combination. Without exaggeration, this Bavaria 28 Sport is a beauty and ready for immediate use. Transport to Northern Europe can be arranged.
