LAGOON 450 FLYBRIDGE

BROKER'S COMMENTS

The Lagoon 450F is a popular, spacious, and comfortable cruising catamaran praised for its abundant living areas (saloon, forward cockpit, flybridge). Key features include excellent flybridge visibility and easy access, strong performance for its size (often surprising speed), and dedicated spaces for privacy. This is one of the most successful catamaran models of all time and has wide appeal. The 450 delivers high comfort and solid performance. Well equipped, available in South Spain.
