## BROKER'S COMMENTS

Unique opportunity, a Hanse 371 with new Yanmar engine, almost new Garmin equipment, new rigging, sails replaced in 2020, water maker, solar panels and a beautiful classic high-gloss cherry interior. The Hanse 371 is known for fast, comfortable sailing and high upwind performance is granted by her deep keel version. Owner preferred to sail with the genoa, but the self-tacking jib is also on board for easy upwind sailing. She will be sold by her first owner. To be viewed in Cartagena. Are you looking for a trouble-free yacht? This must be the number 1 on your short list.
