BROKER'S COMMENTS

SHAMBALA - a proven bluewater catamaran from the highly regarded Mortain–Mavrikios design, built in epoxy-laminated marine plywood by Multicap Caraibes and held by only her second owner since 2016. Major refits in 2018 and 2024/25, including a new Sparcraft mast and rigging and Spectra carbon mainsail. Four double cabins and eight berths - room for the whole tribe. Twin Volvo Penta D2-55, Fisher Panda genset, watermaker, solar, Furuno radar (2022). A serious offshore catamaran, recently refreshed, at a sensible price. VAT paid. Lying Pangkor, Malaysia.
