## BROKER'S COMMENTS

For people who want to cruise further afield, without giving up the comfort and elegance of Azimut yachts, but whose real destination is the carefree frivolity of the journey itself. Magellano is always gentle and safe in navigation and has a limited fuel consumption thanks to the innovative Dual Mode hull and its wide range of cruising speeds. The interior spaces were designed for long stays on board, with welcoming living areas and spacious cabins

*Francis James Holbourne*
