AZIMUT MAGELLANO 43

BROKER'S COMMENTS

With only 380 engine hours! and full annual maintenance she is as good as new and ready for this summer. Perfect for people who want to cruise further afield but whose real destination is the carefree frivolity of the journey itself. The Magellano has a limited fuel consumption thanks to the innovative Dual Mode hull and its wide range of cruising speeds. The interior spaces were designed for long stays on board, with welcoming living areas and spacious cabins. This Azimut 43 is a must see!
