BROKER'S COMMENTS

The Brandsma VIet 10.70 AK is a popular motor yacht from the renowned Dutch shipyard Brandsma-Yachten in Sneek. She has an open cockpit and wide gangways. She has a low, wide hull; when the Bimini and upper windows are lowered, she is just under 2.50 meters, resulting in low vertical clearance. She has an excellent engine, bow thruster, and stern thruster, making her easy to handle. Inside, there's plenty of space, a cozy interior, good seating and mooring, a good galley, a neat toilet, and a separate, spacious shower. The boat can be viewed in Drimmelen by appointment.
