## BROKER'S COMMENTS

Two sloping masts, the aft one higher than the forward one, a heart-shaped positive stern. In addition, a pronounced deck break, a flat freeboard and a fixed bowsprit. The Bonito makes quite an impression. A keelboat and schooner directly from the first owner. This shows how owners can let their imagination run wild beyond the constraints of mass taste or the lowest common denominator, especially below deck. The yacht is designed and built for coastal voyages. Shallow draught, easy handling, large cockpit, manoeuvrable and easy to maintain. The overall condition is well maintained.
