MYLIUS 19E95

BROKER'S COMMENTS

This multi award winning MYLIUS 19E95 was launched in 2011. An extremely high spec custom built cruiser racer designed for maximum comfort and safety at sea whilst retaining extreme sailing capabilities. Her sleek lines and open decks make this an elegant yacht with generous living spaces. The large windows on the coachroof provide plenty of natural light down below in the dinette area. With all the latest navigational and communications equipment combined with high tech sails and rigging this yacht cannot fail to impress. Professionally maintained since launch she is worthy of inspection.

Valerio Biondi
