## BROKER'S COMMENTS

The moment you step on board, you notice that the 312 MKII has been built with great attention to detail. The classic lines with the elegant blue hull stripe, the solid teak deck and the sheltered cockpit area immediately convey a feeling of safety and stability. Below deck, warm woods, high-quality fittings and a layout that is ideal for longer trips dominate. The craftsmanship is typical of Hallberg Rassy. Everything feels solid and well thought out – no superfluous gimmicks, just quality that will last for decades.

*Hartmut Ross*
