## BROKER'S COMMENTS

Beneteau Oceanis – the name says it all. This Oceanis 40.1 is also designed for cruising. Day trips, weekend getaways, or even a round-the-world voyage? Anything is possible... Designed for simple and safe handling, and easy to master even single-handed, it offers plenty of sailing fun for small and large crews alike. The electronics and autopilot are state-of-the-art. After five years on charter, during which the owner invested considerable time in customizing the boat, and the base maintained it to the highest standard, "Lioba II" is now waiting for its next adventure.
