BENETEAU OCEANIS 440

BROKER'S COMMENTS

The Océanis range was created to sail far and to last over time, and the Océanis 440 is a perfect expression of this philosophy. Designed by Bruce Farr, one of the world's most renowned naval architects, this yacht combines solid construction, excellent sailing performance and exceptional comfort. The centrally positioned helm station gathers all navigation instruments in one place, greatly simplifying handling and ensuring safe and enjoyable sailing for the owner and crew.

Nico Stillitano
