BROKER'S COMMENTS

Designed by the renowned Frers and built by a hand-selected performance team the Frers 77 is a masterpiece of high-performance sailing and luxury. This exceptional yacht is crafted with full carbon composite construction, including a carbon rig and boom, ensuring unmatched strength and agility on the water. The Frers 77 boasts a sleek and modern design, featuring four spacious cabins that offer comfort and privacy for you and your guests. The interior is finished with luxury lightweight materials, creating an elegant yet functional living space.
