FAIRLINE SQUADRON 78 CUSTOM

BROKER'S COMMENTS

Step aboard this 2012 Fairline Squadron 78, a yacht that combines luxury, performance, and carefree cruising. With only one owner, privately used, and built in the maximum configuration, this vessel stands out in every respect. Thanks to an impressive refit of approximately €300,000 between 2021 and 2025, the yacht is presented in outstanding condition. Powered by strong CAT C32 engines and equipped with hydraulic stabilizers, an electro-hydraulic flybridge top, and a spacious, elegant interior, she offers an unparalleled yachting experience. A rare opportunity for the discerning owner.
