RIJNLANDVLET 1300 OC HYBRID

BROKER'S COMMENTS

The Rijnlandvlet 1300 OC Hybrid is a new vessel built in 2023. In 2024, the ship was launched and used only for a seatrial and a photoshoot. She is constructed of steel in 20 strakes. The vessel was designed with the requirements of a beautifully lined hull, excellent handling characteristics, a high righting moment, and suitability for both small and large waterways. The ship is very comprehensively equipped and offers all the comforts one would expect from a superyacht for inland waters. Come and view her in our covered sales marina.
