## BROKER'S COMMENTS

"It is exceptionally rare to find a 2011 yacht maintained according to such a rigorous, no-compromise philosophy. The owner has systematically renewed all critical systems, including a complete standing rigging replacement in 2025 and a fully integrated, latest-generation B&G electronics installed in 2024. The recent addition of a 2025 watermaker and high-spec Technora sail inventory places this yacht in a category of her own - not simply turnkey, but thoroughly optimized for extended, self-sufficient blue-water cruising, while remaining highly manageable for short-handed operation"

*Alessio Sabeni*
