JEANNEAU SUN ODYSSEY 519

BROKER'S COMMENTS

The Jeanneau Sun Odyssey 519 is a 52-ft (15.75 m) performance cruiser designed by Philippe Briand and built by Jeanneau, a well-known French yachtyard. It blends cruising comfort with good sailing manners, and it's popular in the Mediterranean charter market. The Jeanneau Sun Odyssey 519 (2019, 5-cabin) is a very good charter platform - spacious, comfortable, and capable of handling typical Mediterranean cruising with ease. Its layout makes it especially attractive for larger groups who want separate cabins and communal spaces without sacrificing sailing capability.
