ANTARIS STEELER 1250 OC

BROKER'S COMMENTS

This Antaris Steeler 1250 OC offers a comfortable and practical layout. The spacious open cockpit with large doors connects directly to the saloon, creating a pleasant indoor/outdoor living area. Large double-glazed windows provide plenty of natural light, while the dinette next to the helm is a perfect spot to relax underway. The yacht is easy to manoeuvre thanks to the powerful Steyr diesel engine and bow/stern thruster. With two cabins, including a spacious owner's cabin and a large bathroom, there is ample sleeping accommodation for family and friends.
