BROKER'S COMMENTS

This MYABCA 42 TR inspired by the famous MENORQUIN deals with great qualities for a 12-meter motor boat. Her looks give away comfort and security, and that's exactly how she was built; two powerful Volvo engines, generator and solar panels, also including big tanks; she is perfectly independent for any waters. This MYABCA 42 TR is equipped with full navigation instruments and her sturdy looks offer an exciting time not only as a pleasant and classic vacation boat with a dinghy but also as an ideal boat for year-around living, cruising and fishing.
