BROKER'S COMMENTS

This Sealine T51 is a fine example of British craftsmanship, offering a rare combination of voluminous living space and sporty offshore performance. Well maintained by her current owners and prepared for the upcoming season. Known for one of the most generous layouts in her class, this T51 features a light and airy interior with three full-size cabins and two bathrooms, an expansive flybridge, equipped with a wet bar and ample seating, making her an ideal choice for extended family stays on board.
