# CUSTOM ALUMINIUM TENDER

## BROKER'S COMMENTS

Newly arrived: this one-off built aluminium tender. The tender comes from its second owner and was used during the premiere of the James Bond film Spectre. Thanks to a powerful Volvo Penta D3 engine rated at 140 hp and upgraded to 170 hp, a top speed of approximately 30 knots can be achieved. In 2025 the hull was repainted and new covers were installed. This unique tender is now available for viewing in our covered sales marina in Loosdrecht.

*Julian de Heer*

## SPECIFICATIONS

<b>Dimensions</b>	8.00 x 2.50 x 0.60 (m)	<b>Builder</b>	Truscynscy
