FELTZ SKORPION II

BROKER'S COMMENTS

Cutter-rigged, fully equipped, and excellently maintained sailing yacht, a Feltz Skorpion IIA. This steel yacht with a center cockpit underwent a complete refit in the winter of 2020/21 and was equipped for complete, perfect, and self-sufficient live aboard on long-distance cruises. The hull was repainted in April 2025. The underwater hull has a Copper coat coating to protect against fouling. The interior of the yacht is excellently preserved and rust-free.
