## BROKER'S COMMENTS

The Trintella 42, built by Anne Wever, is renowned for her build quality, classic appearance, and exceptionally good sailing performance. This particular Trintella 42 features the exclusive interior design by Dieter Sieger, giving the spacious and still very well-kept interior a stylish look, with ample privacy and storage space for both owners and guests. Instead of teak, the deck is fitted with maintenance-free MarineDeck, providing safety and comfort. Recently prepared for a long voyage with new Raymarine equipment (incl. plotter/radar, AIS, night-vision camera, autopilot) and a watermaker.
