NAJAD 570

BROKER'S COMMENTS

“Friya” represents a particularly fine and well-equipped example of the Najad 570, clearly standing out for her level of specification and overall coherence. A true bluewater cruiser, combining excellent build quality with a modern hull, “Friya” benefits from a notably complete setup, reflecting an experienced ownership and a yacht properly prepared for serious offshore cruising. In my opinion, she represents a compelling opportunity for a knowledgeable buyer seeking a reliable and ready-to-go cruising yacht in this segment.
