DEHLER 39 SQ

BROKER'S COMMENTS

"Silmaril" is one of the highly coveted final models from Dehler in Meschede-Freienohl. As a ‘Speed & Quality’ icon, the SQ combines superior sailing performance with sublime comfort. Its excellent build quality is reflected in the high-quality hull construction, where polyester is combined with vinyl ester to create an incredibly strong bond for maximum rigidity. She comes from her first owner, has been lovingly maintained, and is very fully equipped, ranging from extensive navigation electronics to a comfortable interior. Ready to go and a true opportunity for the genuine Dehler enthusiast!
