## BROKER'S COMMENTS

Imagine entering your favorite harbor at sunset. The yachts are lined up, impeccable, perfect, yet indistinguishable. Then you arrive. A steel hull, strong lines, a timeless elegance. The space feels authentic, designed to be lived, not displayed. An aperitif at sunset, a dinner beneath the harbor lights, conversations flowing effortlessly into the night. While the others remain objects, this becomes an experience. Because you're not simply entering a harbour. Your arriving with something that has a soul. Defy convention: come and discover "Capotesta"
