HALLBERG RASSY 42 E

BROKER'S COMMENTS

Popular HR 42E in stunning, superb state. The engine was replaced in 2003 by a 5-cylinder VW with immense torque. A proven ocean-going cruiser, Lloyds certified, admired for its sturdy build, spacious layout, and dependable sailing characteristics. Traditional Ole Enderlein HR design with center-cockpit and flushdeck, ideal for serious passage-makers. This yacht had 3 owners and was in the Med until 2020 before coming to Holland. Fully ready to go, though note that covers and cushions need replacement, partly due to a changed perpendicular bed position suitable for tall sailors over 1.90m.
