BENETEAU SENSE 51

BROKER'S COMMENTS

The innovative Beneteau Sense series represent a modern take on comfortable bluewater cruising. Introduced as part of the Sense series, the 51 was conceived as a long-range cruising yacht with an emphasis on livability, easy handling, and sleek, contemporary styling. A marriage between the traditional cruisers and catamaran, a monomaran. This Sense 51 is designed for owners who prioritize luxury and comfort. For couples or family interested in extended cruising with modern amenities. One private owner, plus an impressive options list. Berth Port Camargue can be transferred to the buyer.
