BARKAS 1200 OK

BROKER'S COMMENTS

The Barkas 1200 Open cockpit where sturdy design meets typical Dutch ship building. Hand-crafted by Vroegh & Alblas and Drinkwaard these are the best Barkas's to get. Step aboard and feel the difference: a level open cockpit layout that flows naturally, giving you freedom of movement and unobstructed views from bow to stern. No trends. No compromises. Just timeless design that looks as commanding in 20 years as it does today. She has a large cockpit, a beautiful owner's cabin with separate shower and toilet plus a real guest cabin with 3 beds. Barkas, a open cockpit motor yacht built for you.
